sident Tuesday Evening.

After a conference between Mayor Daniel P. Dunn and Chief of Police E. H. Richmond, Wednesday morning, it was announced that hereafter coasting will not be permitted on Summit street. For the past few days the street has been in excellent shape for the sport and many have availed themselves of the opportunity, but the street is dangerous due to a larger amount of travel than used to be the case, and the fact that the street crossings are in many cases dangerous, especially the junction with Oak street.

LADIES! LOOK YOUNG. DARKEN GRAY HAIR

Use Grandma's Sage Tea and Sulphur Recipe and nobody can tell. Brush it through hair.

Gray hair, however handsome, denotes advancing age. We all know
the advantages of a youthful appearance. Your hair is your charm. It
makes or mars the face. When it
fades, turns gray and looks dry,
wispy and scraggly, just a few applications of Sage Tea and Sulphur enhances its appearance a hundredfold.

Don't stay gray! Look young! Either prepare the tonic at home or get from any Grug Sixte a 50-cent bottle of "Wyeth's Sage and Sulphur Compound." Thousands of folks recbottle of "Wyeth's Sage and Sulphur Compound." Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully and removes dandruff, stops itching and falling hair; besides, no one can possibly tell, as it darkens so naturally and evenly. Tou moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another aplication or two its natural color is restored and it becomes thick, glossy and lustrous and you appear years younger.
